# OUR PLACE IN THE UNIVERSE

There are 8 planets in our Solar System but the Earth is the only planet that has air, water and can support life. Mars is too cold and Venus is too hot, and there is no oxygen there. We can only live on Earth so we need to take good care of it.

Can you name all the planets in the Solar System?

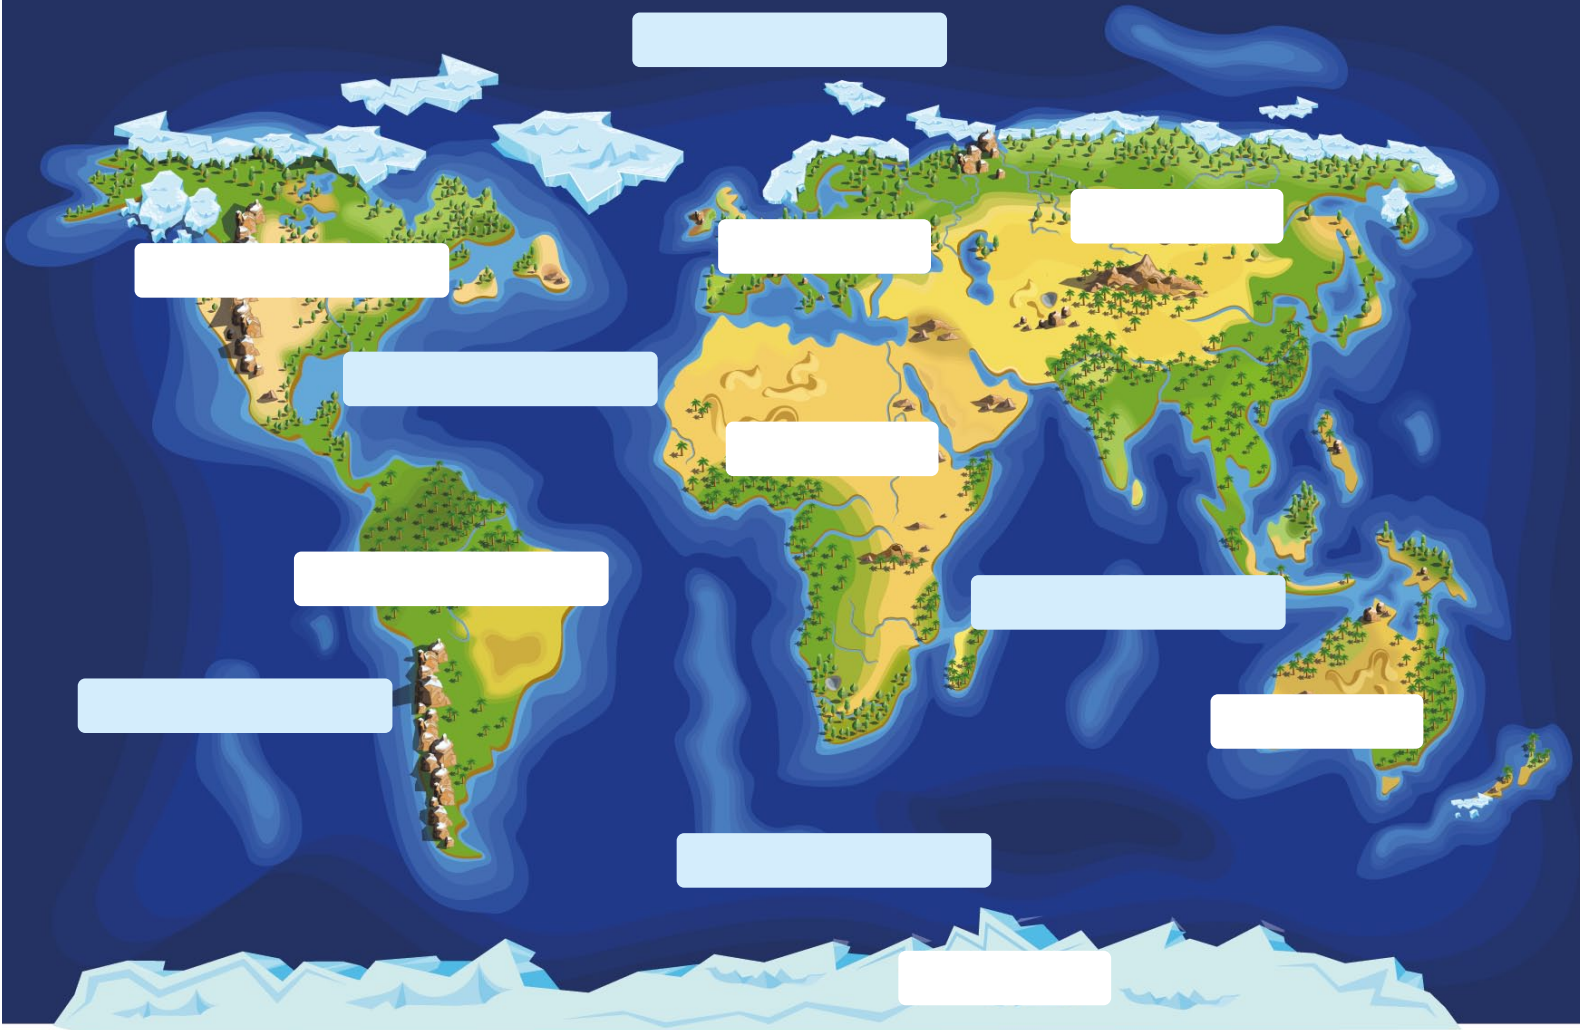

# OUR PLACE IN THE WORLD

Warsaw is the capital of Poland. Poland is a country in Central Europe.  
Europe is a continent. There are seven continents in the world.

Can you name them all?

Can you also name the oceans?

Which continent is the biggest? \_\_\_\_\_

Which continent is the smallest? \_\_\_\_\_

Which continent is the coldest? \_\_\_\_\_

Which continent is the hottest? \_\_\_\_\_

# SHOULD or SHOULDN'T?

Our planet is in trouble because people pollute the environment, cut down trees and produce a lot of rubbish.

What should we do to protect it?

Fill in the gaps with SHOULD or SHOULDN'T.

We \_\_\_\_\_  
plant more trees.

We \_\_\_\_\_  
take a shower instead  
of a bath.

We \_\_\_\_\_  
recycle bottles  
and cans.

We \_\_\_\_\_  
walk, cycle or use  
public transport.

We \_\_\_\_\_  
use reusable cotton  
bags.

We \_\_\_\_\_  
leave the lights on  
when we go out.

We \_\_\_\_\_  
save water.

We \_\_\_\_\_  
use plastic straws.

We \_\_\_\_\_  
donate clothes  
and toys to charities.

# A SECRET CODE

Let's find out what we can do to help the planet. Look at the secret code and find the missing words!

# REDUCE, REUSE, RECYCLE

Do you know that every single person in Poland produces over 300 kg of rubbish per year? That's a lot! We need to reduce, reuse and recycle as much as possible.

**'Reduce'** means to limit the amount of \_\_\_\_\_ that we

produce. We \_\_\_\_\_ reduce the amount of

\_\_\_\_\_ plastics, such as plastic \_\_\_\_\_, bottles, \_\_\_\_\_ and shopping bags.

For \_\_\_\_\_, you can drink \_\_\_\_\_ water instead of bottled water and use a \_\_\_\_\_ shopping bag when you go

\_\_\_\_\_.

**'Reuse'** means to use \_\_\_\_\_ again instead

of \_\_\_\_\_ it away. If you have some

\_\_\_\_\_ that are too small for you, but are still good, your younger brothers and sisters or \_\_\_\_\_ can use them. You can

also \_\_\_\_\_ your clothes and old \_\_\_\_\_ to a

\_\_\_\_\_.

**'Recycle'** means to sort and \_\_\_\_\_ rubbish to produce

\_\_\_\_\_ materials that can be used \_\_\_\_\_. You can

recycle plastic bottles and bags, metal \_\_\_\_\_, glass

\_\_\_\_\_ and \_\_\_\_\_, old

\_\_\_\_\_ and books and \_\_\_\_\_ of other

\_\_\_\_\_. You need to put \_\_\_\_\_ in the right

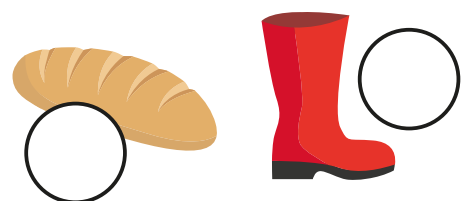

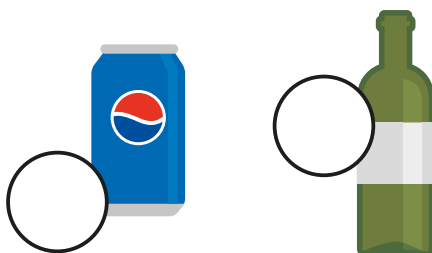

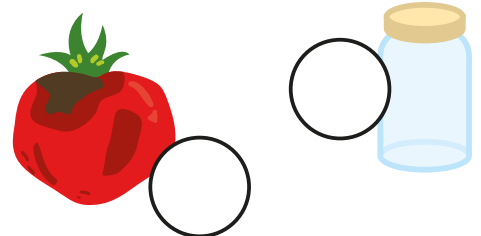

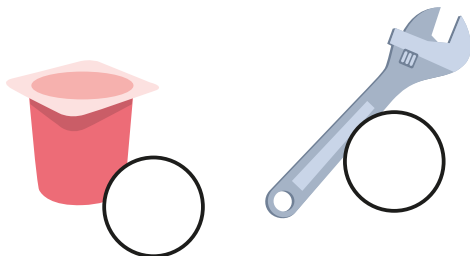

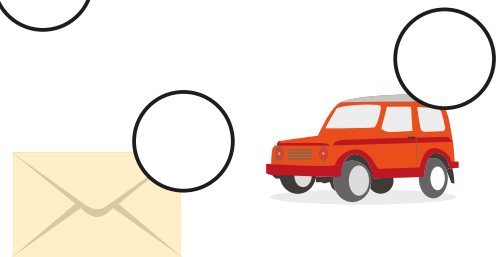

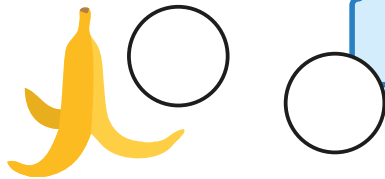

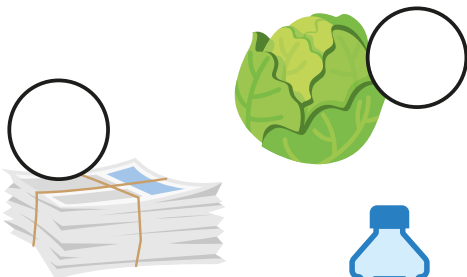

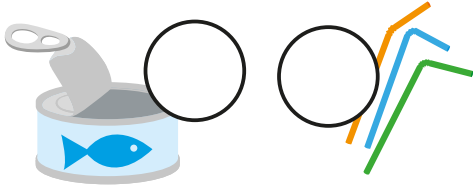

\_\_\_\_\_ so that they can be recycled.

\_\_\_\_\_

# LET'S RECYCLE!

Do you know how to recycle?

Put the correct number next to each item to make sure they go into the right bin.

# WORD SEARCH

How many words can you find?

# IT STARTS WITH YOU

There are many things we can do to help the environment. Read the list below and decide what you can do. Add your own ideas!

**1** Plant a tree in your neighbourhood.

**2** Buy local food.

**3** Walk and cycle whenever possible.

**4** Use public transport.

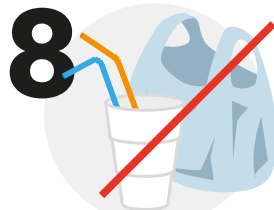

**5** Turn off the lights and electronics when they are not in use.

**6** Cut down on what you throw away. Reduce, reuse and recycle.

**7** Drink tap water instead of bottled water.

**8** Say no to plastic straws, cups and bags.

**9** Turn off the water when you brush your teeth.

**10** Take a shower instead of a bath.

**11** Do not waste food.

**12** Spend your holidays in your country instead of travelling by plane.
