Fun facts about Queen Elizabeth

She was born on 21 April 1926.
Her parents were Prince Albert and Queen Elizabeth (the Queen Mother).

She is married to Prince Phillip.
They first met when she was only thirteen.

She has four children – Charles, Anne, Andrew and Edward.
She also has eight grandchildren.

Her coronation was held at Westminster Abbey on 2 June 1953.

She is the longest reigning monarch ever in Britain.
She even beat her great-great-grandma, Queen Victoria.

Her favourite dogs are corgis.
She has had 30 dogs and she invented a new breed of dog, the “dorgi”.

She’s the only person in the UK allowed to drive without a driving licence, and she is still an active driver.

The Queen has two birthdays.
Her actual birthday, which is on 21 April, and her official birthday, which is held on a Saturday in June, when the weather is usually much better.

The Queen first sent an email in 1976.
She was the first monarch to send an email, and she published her first Instagram post in 2019!

She has many hobbies, including horse riding, pigeon racing, and football.

She owns an elephant, two giant turtles, a jaguar and a pair of sloths. The animals are presents from other countries, and they live in London Zoo.

Queen Elizabeth II is Head of State of the United Kingdom, but she has no real power.

In June 2012 the Queen celebrated her Diamond Jubilee: 60 years on the throne.

The Queen has many homes all over the UK, and her London home is Buckingham Palace.
